Requirements

inside 2500x1748 px
cover 2500x3600 px
definition 300dpi
format JPG, PNG, TIFF

- All images must be at least **300 dpi** and in high resolution: at least **2480 pixels** tall by **1748 wide** so it can potentially be printed in a full page of our magazine. Prospective cover images should be at least **2500 x 3600 pixels**. **JPG, PNG, and TIF** formats are acceptable.

- We accept all forms of visual and conceptual art, whether it be photography, drawing, painting, printmaking, etc. We also accept images of three dimensional sculptures, installations, and video art. Stills taken from performances are also highly encouraged. All rights to your work revert to you after publication.

- Please submit work that has not been previously published in a physical magazine or art catalogue; however, if it has been published in an online magazine or even on Instagram, then we will definitely still be open to considering it.

- Please send a maximum of 5 pieces for consideration, but do feel free to include a link to your portfolio, if applicable. If there is an underlying artist's statement for the pieces you've submitted, please also include it in your submission email.
